
Resumption of Bible Class and Worship Assembled Together

Beginning Sunday, May 31st, River's Hill Church of Christ will begin to assemble together for Sunday Bible Classes, Worship Services, and sweet Fellowship in the Spirit. Local ordinances have loosened the restriction on assemblies over 10 people and the State has published safety guidelines for Worship gathering; and we all have learned a lot more about how to protect ourselves through "social distancing", and the wearing of masks, and frequent hand sanitizing. In view of these considerations we are thankful and excited about being able to worship together again. Please click [here](#) for more information.

These are new things we do now; "Social Distancing", wearing of masks, sanitizing frequently, washing our hands more frequently; these are things that we want to continue as we come together. We are making arrangements to ensure social distancing, wearing of masks, and accommodations to provide for and promote frequent hand sanitizing as we come together.

TO ENSURE THE SAFEST POSSIBLE ASSEMBLY

- Seating in the auditorium limited to every other pew.
 - ✚ The City ordinance loosens the assembly rule to half capacity. Our capacity is approximately 150, and therefore half capacity (75) is a sizable number for us.
 - ✚ A Household with 3 or more people in attendance; will occupy a single pew alone.
 - ✚ A Household with less than 3 people in attendance; will occupy one end of a pew, and another household of less than 3 people will occupy the opposite end.
- In addition to auditorium seating, the fellowship hall will be available for seating as well. Tables positioned six feet apart for a household unit if needed.
- Wear masks as much as possible.
 - ✚ We are recommending the wearing of a mask during the entire service, with the exception of partaking the Lords Supper.
- Exit plan to limit social contact when dismissed;
 - ✚ Exit by seating location, back to front
 - ✚ Limit social contact
